

PARTIES AND CIRCUMSTANCES IN BUSINESS TRANSFERS

The most important parties in business transfer are present: the selling party, the buying party, their advisors and financial institutions (Van Teeffelen, 2012). Matching platforms have been inserted and are capable to connect all central players. For that reason they are added to the model with interrupted lining.

+

Crossroad, the linking pin between sellers and buyers in the field of market, economics, advisors and financial institutions.
